Location: CelebrateLife

4530 18th St.

You are cordially invited to the Storrie/Ord St Neighborhood Group Pot-Luck. We are celebrating our success in being awarded a Community Challenge Grant. The money from the grant will be used to beautify and re-landscape the Storrie Street Green-way.

Get a first hand look at some of the green-way designs as well as what it looked like before the project started. Meet some of the key people involved; enjoy food, drinks and spending a little time with the people who live around you.
